Academic Projects Undertaken

(MCA)

Project Title: Sentiment Analysis using Machine Learning

Technology: Machine Learning

Language: Python

Project Description:

      'SENTIMENT ANALYSIS USING MACHINE LEARNING' is the process of analyzing the emotions of the uses or customers as Positive or Negative. In this project, I used IMDB movie reviews dataset given by the customers. And I trained my machine and calculated that the review is Positive or Negative by using Machine Learning algorithms.

(B.Sc)
